v1. Although it may seem absurd, that I trust in God's Word, I am standing
 All my hope may seem lost, but I've counted the cost, so I'm standing
 REFRAIN: I'm standing tall, over all, I'm standing tall, over all

v. 2 I have taken the stand to be led by God's hand, So I'm standing
 Although my eyes may not see what He's promised to me I'm still standing

v. 3 I may be standing in faith, but I'm saved by His grace, So I'm standing
 I walk by faith not by sight, through each day and each night, And I'm standing
