1. Come to the river that flows from God's throne, There's Life in that river and waves of His love

Cast your cares upon the waters, Know His heart, Feel God's peace

Lose your fears and all your worries, Rest there in His womb of peace

REFRAIN: Lie down, in the river of God, Cast your cares in the river of God

You'll see clear, in the river of God, There's no fear, in the river of God.

2. God, Your love is like a river, that flows straight from Your heart

Gentle mercies in Your river, Ease my fears and heal my heart

There's such peace inside Your river, flowing like a gentle stream

Refreshing all my memories, It brings new life again

REFRAIN

3. Father take me to Your river, breathe new life into me

I come to You, O Gentle Savior, Make me whole and clean and free
