The last sound at the end(percussion) sounds like CHA CHA CHA /REST

25verse 1 Turn me every which way but loose, Lord
Turn me inside out but don't let me go
I give You permission to teach me submission
But never let go of my heart.

verse 2 Turn me every which way but loose, Lord
Please hold me tight in Your hand
Bend me and break me, but never forsake me,
Just let me hold on to Your hand.

REFRAIN:

Don't let me slip from Your grip
Or slide from Your side
I'm counting on You, Lord, You're all I have
I'm holding You tight, I won't ever let go
I need You right next to my heart.

verse 3 Turn me every which way but loose, Lord
I want to stay next to Your heart
Mold me and make me, but never forsake me,
I need to stay next to Your heart.
