verse 1 I'm passionate for Your presence Every hour of the day, O Lord I long to be with You
 Inside Your Secret Place I want to dwell inside Your chambers 'Can't bear to be apart
 I'm passionate to be near You, Lord Next to Your Father's heart.

Chorus

O Lord, it's true I'm passionate for You Repeat

verse 2 I'm passionate for Your presence In my quiet times of prayer To visit You in Your secret place
 And abide with You in there I'm passionate to hear Your voice Every hour of the day,
 I love to hear what's on Your heart When it's only You and me.

verse 3 Lord, I'm passionate for Your still small voice Every moment of the day

I love it when You gently call For me to "come away." I run into secret place

And I never feel a care I'm passionate for Your presence, Lord I love to meet You there
