REFRAIN:

Long before cruel words were spoken, Long before our hearts were broken

The Father made us and He called us in love

Our Father saw us through eyes of eternity, Then we were formed in wombs of secrecy

Then He sought us out, to redeem us in Love.

TAG:

Our weary hearts don't understand, Our weary brains: we over think,

His kindness moves and we fail to see, We're blinded by religiosity

Our earthly minds are filled with hate And cannot to His pureness relate

Until He comes and remove the veils from our eyes And our stony hearts....

3. O Spirit, come in mercy, Deliver us from jealousy Reign over religious hypocrisy, philosophy

Where heart's don't believe O Lord rain down mercy, Rain down deep where we cannot feel

Rain down over our minds made of steel, Come and soften our callous hearts, Restore the lives that are torn apart

Here at Your mercy seat.

4. O Spirit come in holiness, O Spirit come in holiness Come with overcoming humility and purity

Here at the mercy seat.
