1. I AM your builder, I'll cause you to stand,
You'll soar high on eagle's wings, as I give you the land
I've brought you this far, I'll cause you to stand,
Born up on eagle's wings, by My own outstretched hand.

2. I come to you now, you're birthed from My heart,
Just rest on My Eagle's Wings, and stay next to My heart
Draw near to Me now, I'll cause you to stand
Rest on My Eagle's Wings, And Ill give you the land.

3. O Jesus, You are, My Savior and Friend
My High Tower of Safety, My Chief Cornerstone
I draw near to You now, You cause me to stand
Your Peace is my safety, I inherit the land.
